

Giants Wizards Elves

This game is a lot like Rock, Paper, Scissors. The children are split into teams and are lined up at opposite ends. The children are to work together and decide what they are going to be, Giants, Wizards or Elves. On "Go," they are to run to the middle then show what they are. Giants (Standing straight up with arms above head in the air) beat Elves- Giants stomp on Elves. Elves (Deep Squat with finger pointing up behind ears) beat Wizards- Wizards powers go over the Elves head. Wizards (Half squat with arm raised in front and wiggly fingers) beat Giants- Wizards powers hit Giant in the stomach.

This activity is from the YMCA's of North Carolina.
